Please ensure that your PC is connected to your printer – Print all pages. You now have your quiz ready along with a pub quiz poster to advertise it.

Now estimate the number of teams you will have and click File/Print – print page 8 and change the number of copies to the number of teams you will have. You now have one interval round per team. Page 9 is the quiz master's picture round answer sheet

Again click File/Print – then print page 10 and change the number of copies to the number of teams you will have. You now have one answer sheet per team. Should you require additional copies of your pub quiz poster, please print out additional copies of page 11.

Page 2 is your score sheet, enter the names of the teams in the appropriate box and as the quiz progresses, enter the teams' scores for each round in the appropriate box and announce running totals to the teams after each. Rounds 1-5 are trivia rounds – we suggest you read out each question in turn, then after a short break, quickly recap on them all before marking the answers and reading out question+answer

---

The interval round can be handed out and completed at any time at your convenience. We suggest that you hand it out at the start of the quiz to teams, giving them something to do between rounds, then have an interval where you can hold your raffle etc. and allow teams to recharge their glasses whilst collecting them in.

**This quiz is for your personal use only and is not to be sold or redistributed in printed form or electronically.**
